

BANNERS AND BLOGS

WEBSITE WWW.TURVALLISUUS.COM

Turvallisuus & Riskienhallinta Magazine has a domain www.turvallisuus.com.
The word turvallisuus means security and safety.

Every month we have thousands of visitors at the website. On an average, about 66 % of visitors are constantly new visitors.

The screenshot shows the website layout with several banners and blog posts. Labels with arrows point to specific elements:

- Parade:** A wide banner at the top with the text "Yhdellä työkalulla" and "HSEQ Online".
- Panorama:** A horizontal banner below the Parade banner with the text "ERILLISVERKOT Krivat – Kohti iskunkestävää yhteiskuntaa".
- Pillar:** A vertical banner on the right side of the page with the text "Käynnä turvavyö" and "AXIS".
- Blogs:** A section of blog posts on the right side of the page, including "Parempaan suuntaan ja taikasana käyttöön" and "Kampanjblogit".

A **banner** or a **blog** at this website reaches people interested in security, safety and risk management.

At the website, you have **3 different possibilities** and **sizes** to banners:

1. First possibility is the biggest banner called **Parade**. It is wide banner top of page. The size of Parade is 1000 px (wide) x 120 px (high)

2. Second possibility is a banner called **Panorama**. It is just under the Parade banner. The size of Panorama is 1000 px (wide) x 70 px (high)

3. Third possibility is a banner called **Pillar**. It is on the right side of the website. The size of Pillar is 120 px (wide) x 400 px (high)

NOTE! You can also write blogs to the website

Blogs you will find in the middle of the website.

We will take **only two blogs at the same time**. We recommend that blog length is less than 2.000 characters, so readability of blog remains good. You can, however, decide length of your blog yourself.

We recommend that you will also send a photo with blog text.
